

HAUT-BAILLY • II

2021

A true reflection of the *grand vin*, Haut-Bailly • II is the result of strict selection. It has the the purity and the precision of its big brother, while offering accessibility in its young age. A model of second wine, it is also the symbol of the second generation of the Wilmers family, who are writing a new chapter for Haut-Bailly.

Its modernized label offers a nod to its past heritage by rediscovering the dot that existed on those of Haut-Bailly until 1985. Red, matching the capsule, it brings energy and discreet elegance. The label also differs from that of the *grand vin*, by the absence of the mention "Château".

This "N°II" provides immediate pleasure while also offering a strong capacity for ageing. The parcels chosen for its blending give a delicate and suave structure.

Haut-Bailly • II 2021 is a resolutely charming and elegant wine: supple, well-balanced and with a fruity freshness enhanced by smooth tannins.

Harvest dates: September 27th to October 11th
